

National Assisted Living Week

September 7th – 13th

National Assisted Living Week provides a unique opportunity for residents, their loved ones, staff, volunteers, and local communities to celebrate the individuals who live and work in assisted living and to learn more about this sector of senior living wellness and care.

“There is an inherent desire for experience and adventure no matter what stage of life someone happens to be in,” says NCAL Executive Director LaShuan Bethea. “Assisted living utilizes person-centered care to support residents through their different ideas of adventure, allowing us to honor them in an exciting and unique way.”

PLEASE JOIN US IN CELEBRATING OUR STAFF AT PINE VIEW TERRACE BY OFFERING A THANK YOU WHEN EVER YOU SEE THEM. WE LOVE OUR RESIDENTS, WE LOVE OUR STAFF, WE LOVE OUR WORK!
